# What You Need to Know Before You Prepare an Offer in Compromise

An Offer in Compromise (OIC) provides an alternative for individuals who are unable to pay their outstanding California income tax liabilities, and who won't be able to in the foreseeable future.

# Are You an OIC Candidate?

If you are an individual without the income, assets, or means to pay your tax liability now or in the foreseeable future, you may be eligible for an OIC. The OIC Program allows you to offer a lesser amount for payment of a **non-disputed final tax liability**.

Generally, we approve an OIC when the amount offered represents the most we can expect to collect within a reasonable period of time.

Each case is evaluated based on its own unique set of facts and circumstances. We give the following factors strong consideration in the evaluation:

- Ability to pay
- Value of your assets
- Present and future income
- Present and future expenses
- The potential for changed circumstances
- The offer is in the best interest of the state

# **Can We Process Your Application?**

We will only process your OIC application if you meet the following requirements:

- File all of the required tax returns. If you have no filing requirement, note it on the application.
- Fully complete the OIC application and provide all supporting documentation.
- Agree with the Franchise Tax Board (FTB) on the amount of tax you owe.
- Provide a signed and dated 4905 PIT Application.

# Will a Collateral Agreement be Required?

Upon approval, we may require you to enter into a collateral agreement for a term of five years. Generally, a collateral agreement will be required in cases when you have a significant potential for increased earnings. A collateral agreement requires you to pay to FTB a percentage of future earnings that exceed an agreed upon threshold.

# Is Collection Activity Suspended?

Submitting an offer does not automatically suspend collection activity. In most cases, collection action will be suspended until the OIC evaluation is completed. However, if delaying collection activity jeopardizes our ability to collect the tax, we may continue with collection efforts. Interest, fees, and penalties continue to accrue as prescribed by law.

## When Should Offered Funds be Submitted?

**Do not submit the offered funds until we request them by letter**. When we do ask for the funds, submit them by cashier's check, money order, or WebPay. The offer must be a lump sum payment. We are unable to accept installment payments toward the offer amount or include prior payments.

# **Offer in Compromise Application**

You must submit the following documentation with your Offer in Compromise Application or we will return your application as incomplete. You must include the information for you and your spouse/registered domestic partner (RDP). Please submit copies only. We will not return any documents that you send us. Indicate if any of the items below are not applicable (N/A). Additional documentation may be required and requested as the evaluation of the OIC proceeds.

It is understood this offer will be considered and acted upon in due course, and that it does not relieve you from the liability sought to be compromised, unless and until the offer is accepted by the Franchise Tax Board and there has been full compliance with the terms of the agreement, including any collateral agreement.

It is agreed, except for any amounts deposited in connection with this offer, the Franchise Tax Board will keep all payments and other credits made to your account for the periods covered by this offer, and that the Franchise Tax Board will keep any and all amounts to which you may be entitled under the Revenue and Taxation Code, due through overpayments of any tax, penalty or interest, for any periods ending before the end of the calendar year in which this offer is accepted.

# **Frequent Topics**

#### Fair Offer

Generally, an offer will be accepted when the amount offered is the most we can expect to collect within a reasonable period of time.

#### **OIC Decision Time Frame**

Generally, we will have a decision within 120 days of your account being assigned to a specialist. If your account is more complex, it may take longer than 120 days.

#### **Payments**

You cannot make payments toward the offered amount, we require a lump-sum payment of the offered amount. We cannot apply prior payments toward the offered amount. However, we consider prior payments and the offered amount compared to the total liability when evaluating your offer.

#### **IRS OIC Accepted**

We will make a separate determination about whether to accept your offer, independent of the IRS.

#### We Will Contact You about Your OIC

We contact you to discuss your account and to determine the most appropriate resolution. For example, if we determine that you will have the ability to make monthly payments that exceed the amount you offer, we will work with you to establish an installment agreement.

#### **State Tax Liens**

We release FTB state tax liens upon final approval of your OIC.

#### **Power of Attorney or Representative**

We do not require that you have representation, but you do have the right to representation. The OIC Program is available to all taxpayers, whether or not they have representation.

#### **Bankruptcy**

If this is a consideration, you may want to seek your own legal advice. However, your application will not be accepted if you are in a current, open bankruptcy.

## No Funds for OIC

We will not accept a zero dollar offer. Your offer must represent the most we can expect to collect over a reasonable period of time and be in the state's best interest to accept.

#### **Collateral Agreement**

A collateral agreement is a contractual agreement between you and FTB. By signing the agreement, you agree to pledge to us a percentage of your income that exceeds an agreed-upon threshold. Generally, the collateral agreement period is five years. We will make that determination in reviewing your application and financial information provided to us.

Generally, we do not require a collateral agreement if you are on a fixed income or have limited potential for an increase in income.

#### **OIC for Multiple State Agencies**

To relieve some of the paperwork burden for taxpayers or their representatives, the state's three taxing agencies developed a single offer in compromise application. Individual taxpayers can use Multi-Agency Form for Offer in Compromise (DE 999CA) to apply with any or all of the three agencies. Go to edd.ca.gov to locate DE 999CA.
